

Call for Participation

We invite you to join us in **12th International Conference on Networks & Communications (NCOM 2026)**.

The **12th International Conference on Networks & Communications (NCOM 2026)** serves as a premier global forum for researchers, practitioners, and industry innovators to exchange knowledge, present breakthroughs, and explore emerging trends in computer networks and data communications. As the networking landscape evolves toward intelligent, autonomous, and highly integrated systems, NCOM 2026 aims to highlight cutting edge advances across both theoretical foundations and real world applications.

This conference welcomes original contributions that push the boundaries of wired, wireless, mobile, cloud, and next generation communication systems. Submissions are invited in areas spanning network architectures, protocols, wireless and mobile communications, data communication technologies, network security, and the rapidly expanding domains of AI driven networking, edge intelligence, quantum communication, and non terrestrial networks.

Researchers, practitioners, and industry experts are encouraged to submit research papers, case studies, survey articles, and industrial experiences that demonstrate significant advances in **networking, communications, wireless systems, and IoT enabled technologies**.

Highlights of NCOM 2026 includes:

- 16th International Conference on Computer Science, Engineering and Applications (CCSEA 2026)
- 7th International Conference on Natural Language Computing and AI (NLCAI 2026)
- 15th International Conference on Cloud Computing: Services and Architecture (CLOUD 2026)
- 7th International Conference on Big Data and Machine Learning (BDML 2026)
- 12th International Conference on Signal and Image Processing (SIPRO 2026)
- 15th International Conference on Software Engineering and Applications (SEA 2026)
- 14th International Conference on Data Mining & Knowledge Management Process (DKMP 2026)
- 15th International Conference on Embedded Systems and Applications (EMSA 2026)
- 12th International Conference on Artificial Intelligence and Applications (AIFU 2026)
- 7th International Conference on Block chain and Internet of Things Applications (BIoT 2026)

Registration Participants

Non-Author / Co-Author / Simple Participants (No Paper)

100 EURO for Online (Without Proceedings)

490 EURO for Face to Face (With Proceedings)

Here's where you can reach us: ncom@sea2026.org (or) ncomconference@gmail.com
